Final assembly

Create chocolate decorations using a rhodoid sheet (34.5 × 39 cm). Cut strips 3 cm wide, then wrap them around a 10 cm diameter PVC tube to form chocolate rings.

Inside each ring, pipe irregular dots of Orawa chocolate crémeux and ganache, then arrange fresh mango rolls.

Using a melon baller, hollow out the whipped ganache dots and fill the center with mango-passion gel.

Sprinkle reconstructed shortbread crumbs over the dessert, decorate with tagetes shoots, and finish the plating with a quenelle of Voatsy pepper chocolate sorbet.
